2. Note the frequency of the word *immediately* and other terms indicating urgency every time it occurs.
3. Reflect on the following questions:
 - Consider the immediacy of Peter, Andrew, James, and John's obedience to follow Jesus. How has this been a struggle for you in your life? What is holding you back from being quick to obey something God has called you to do or has been convicting you of?
 - Do you find it difficult to hear God's voice? If so, do you know what is drowning it out? How do you think you could better hear and connect with your Creator?
 - Do you relate to the story about the leper? What parts about it stand out to you?
