

Wilmington First Baptist Church - 2024 Fall Internship

Description: Wilmington First Baptist is a small church (20-30 people on an average Sunday) with a storied history since the early 1800's. Despite our small numbers, our congregation is committed to spiritual renewal and growth. We are currently focusing on developing spiritual health and pursuing discipleship opportunities while continuing to serve and spread the Gospel message in the community. We are excited about the future ways that we expect God to open doors, use our people to serve, and build up a body of believers that is about God's Kingdom.

This is a paid internship opportunity for the 2024 Spring semester that might be extended into the Fall semester of 2024. One of the things our leadership is passionate about is raising up a new generation of church servant leaders and providing opportunities for them to experience small church ministry. We want to invest in a college/graduate student who believes they are called to serve in part or full-time church ministry or missions. **Email Pastor Nick if interested at:** pastornick@wilmingtonfirstohio.com
